CONFIRMATION OF ORAL RESTRICTION REQUIREMENT AND ELECTION

Commissioner for Patents
Washington, D. C. 20231

Sir:

This will confirm the recent telephone discussions between the Examiner and the undersigned regarding a two-way restriction requirement between article claims 1 to 11 and method claim 12 and applicant's election with traverse of the first claim group, namely claims 1 to 11.

The election is made with traverse because there is no indication in the record that the subject matter of all claims cannot readily be examined at the same time.
